

Permit # DP-_____

Deadline to Remove _____

**CITY OF TRENTON
TEMPORARY DUMPSTER PERMIT**

Name of Requestor _____

Address where dumpster will be located _____

Phone number where you can be reached _____

Will dumpster be located on city property? () yes () no

How long do you plan to have the dumpster? _____

If the dumpster is located on city property, it must have barricades with flashing yellow lights on each end and must be removed in 60 days. The City of Trenton can provide barricades for the dumpster at a charge of \$1.00 per barricade per day.

If the dumpster is on personal property in the city limits, it must be removed in six months.

If you are going to need the dumpster past the "Deadline to Remove" date listed above, you must file for an extension at City Hall.

Failure to remove the dumpster by the deadline listed above or file for an extension shall constitute a misdemeanor, and the applicant will be fined \$100 in addition to any costs connected with the violation for the first day the temporary dumpster is not removed upon the expiration of the permit and \$200 in addition to any costs connected with the violation for each subsequent day.
