

In light of the Wesclin School District's decision to hold this public graduation event this Sunday afternoon, I feel it is incumbent on me as Mayor to support our graduating seniors. Additionally, it is my desire for the City of Trenton to help make this event as safe as possible for everyone involved by providing traffic control at the intersection of Illinois State Highway 160 and Old Highway 50.

The City of Trenton strongly suggests that anyone who wishes to participate as a bystander during the graduation event would exercise proper social distancing requirements as prescribed by the Governor of Illinois and his Executive Order.

As Mayor, and on behalf of the Trenton City Council and the residents of Trenton, I want to congratulate all of the Wesclin seniors. During this unprecedented time in our history, our entire community is very proud of our graduates and we wish them the best in their future endeavors.

Kyle R. Jones
Mayor
