**Public Act 097-0609 5 ILCS 120/7.3**

(a) Within 6 business days after an employer participating in the Illinois Municipal Retirement Fund approves a budget, that employer must post on its website the total compensation package for each employee having a total compensation package that exceeds \$75,000 per year. If the employer does not maintain a website, the employer must post a physical copy of this information at the principal office of the employer. If an employer maintains a website, it may choose to post a physical copy of this information at the principal office of the employer in lieu of posting the information directly on the website; however, the employer must post directions on the website on how to access that information.

(c) For the purposes of this Section, "total compensation package" means payment by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted.

**The City of Trenton, Illinois voluntarily elects to post compensation information for all full-time and regular part-time employees, regardless of the total value of that compensation.**
