

NOTICE OF PUBLIC HEARING

The City of Trenton will hold a public hearing to discuss plans for their proposed water system improvements. This hearing will provide the public with the opportunity to present comments.

The scope of the projects will be discussed. The Preliminary Environmental Impacts Determination prepared by the Illinois Environmental Protection Agency (IEPA) will also be available for public viewing. The period for public comment will close 10 days after the public hearing. Comments may be emailed to kbuzzard@trenton-il.com or presented at the hearing. This public hearing is part of the requirements for City to qualify for a low interest loan through the IEPA Public Water Supply Loan Program.

Location: City Hall, 14 W. Broadway, Trenton, IL 62293
