## **REQUEST FOR BIDS**

### **(B)**

Sealed bids for the collection and disposal of RESIDENTIAL WASTE, RECYCLABLE MATERIAL AND YARD WASTE, for the Municipality of Trenton, Illinois will be received by the City Clerk or his designee until 2:00 p.m., on JANUARY 8th 2025 at City Hall, located at 14 West Broadway, Trenton, Illinois, 62293, and will thereafter be publicly opened and read.

Major goals of the Municipality are to decrease tonnage sent to the landfills or transfer stations, to increase recycling and to constrain the increase in costs of all collections.

The Municipality reserves the right to reject any and all bids, and to accept such bid that is advantageous, beneficial or expeditious to the Municipality. No bid may be withdrawn for a period of sixty (60) days after bid opening. Bids may be corrected for clerical or typographical mistakes at the discretion of the Municipality, but not because of a mistake in judgment.

Bid forms, specifications, contract documents and other appropriate papers may be reviewed at City Hall or they may be obtained from [www.trenton-il.com](http://www.trenton-il.com). The Bid Documents must be returned in duplicate in a sealed envelope marked "Residential Solid Waste Collection Bid."

## **INSTRUCTIONS TO BIDDER**

### **(C)**

1. Sealed bids will be received by the Municipality of Trenton, until 2:00 p.m., CDT, January 8<sup>th</sup>, 2025.
2. Bids must be submitted in duplicate in a sealed enveloped marked “RESIDENTIAL SOLID WASTE COLLECTION BID.”
3. Bidders must submit bids for all required services in order to be considered unless otherwise instructed.
4. Any bidder may withdraw his/her bid at any time prior to the scheduled opening time for the bids.
5. Each proposal shall be made on the attached Bid Form, which shall be signed, with the full name of each proprietorship, partnership, or corporation submitting it. The bid of a proprietorship shall be signed by the owner; or partnership by one of the general partners; a corporation by a duly authorized officer thereof stating his/her title. The complete mailing address and telephone number must be stated.
6. Each bidder shall, on separate sheet, provide a statement of the bidder’s financial condition and a list of the equipment the bidder will commit for use to fulfill the provisions of these specifications. Included in the list will be the model, year, and type of equipment.
7. Each bidder shall complete and submit the attached Non-Collusion Affidavit.
8. Each bidder shall provide a list of all municipalities under contract in St. Clair, Madison and Clinton Counties or three (3) references of municipal contracts for solid waste collections that they have serviced within the last three (3) years from the local Southwestern Illinois area. If no such contracts exist, the bidder must provide at least three (3) references from the closest municipalities served.
9. Each bidder shall, on an attached sheet, provide a description of their Solid Waste, Yard Waste, and Recyclable collection operations.
10. Each bidder shall, on the attached sheet, provide a list of charges for additional service requested by the Municipality.
11. Each bidder shall submit a comprehensive list of all primary and secondary landfills, transfer stations, and recycling centers to be utilized through the life of the contract and any contingency plans in the event such facilities are closed. All landfills used by haulers must be approved and/or permitted by the applicable federal, state and local authorities.

12. A performance bond or escrow in lieu of a performance bond acceptable to the Municipality will be required from the successful bidder as described in the specifications. This performance bond will be equal to the first year contract price.
13. The Municipality may make any investigation of a bidder as it deems necessary to determine the ability of a bidder to perform the work. Bidders shall furnish information regarding their qualifications upon the reasonable request of the Municipality. The Municipality reserves the right to reject any bid if the evidence submitted by, or other investigation of, the bidder fails to satisfy the Municipality that the bidder has the proper qualifications to perform the work in accordance with the Contract Agreement.
14. It is the intent of the Municipality to award the Contract Agreement to the lowest responsible bidder provided the bid has been submitted in accordance with the requirements of the bidding documents. However, the Municipality reserves the right to accept the bid which, in the Municipality's judgment, is in the best interest of and most advantageous to the Municipality. The Municipality reserves the right to waive irregularities, reject any or all bids or to hold bids for up to sixty (60) days and to award the bid in the best interest of the Municipality. The Municipality will reject a bid not accompanied by a Bid Bond or by other data required by the Bidding Documents, to reject a bid which is in any way incomplete or irregular and to re-bid the work at a later date if all bids are rejected.
15. Each bid must be accompanied by a bid bond equal to ten (10) percent of the first year in the form of a certified check, a cashier's check or bond payable to the Municipality. All such bid bonds or checks will be returned to the respective unsuccessful bidders within sixty (60) days after the bids are opened, but in no event before a contract is executed with the successful bidder. The bid bond of the successful bidder will be returned to the Contractor when the Contract is executed and a satisfactory performance bond is delivered to the Municipality.
16. Should the successful bidder fail or refuse to execute the performance bond and the Contract Agreement required within ten (10) working days after the Contractor has received notice of acceptance of his bid, he shall forfeit to the Municipality the bid bond deposited with his bid as liquidated damages for such failure or refusal.
17. All changes in specifications as herein set forth will be by written addendum only. No oral changes are authorized and all communications shall be acted upon as the sole responsibility of the bidder. All questions regarding the specifications shall be directed in writing to the City Clerk at 14 West Broadway, Trenton, Illinois, 62293, no later than ten (10) days prior to the date of opening of bids.

## GENERAL INFORMATION (D)

The solid waste collections service shall conform to all Municipality ordinances regarding solid waste, yard waste, and recyclables and the following specifications or better.

1. **Residential Dwelling** - is defined as any single family home, mobile home, two family unit, four family unit, and apartment complexes up to four units per building.
2. **Curb Collection** - The Contractor shall provide solid waste, recyclables and yard waste collection removal and disposal service (or combination thereof per Municipalities instruction) to all residential dwellings within the corporate limits of Trenton. There shall be once a week collection of solid waste, recyclables, and yard waste from the curb of the premises. On collection days all refuse containers and items of refuse shall be placed at a designated collection point. The Contractor will not be required to collect refuse from the inside of the buildings.
3. **Collection Vehicles** - Contractor is to furnish the necessary vehicles for the collection of solid waste, recyclables, and yard waste in leak-proof vehicles provided with tops or coverings to guard against spillage, and shall conceal said contents from view; said vehicles to be kept covered or closed at all times except when being loaded or unloaded.
4. **Definitions** - Whenever the terms “solid waste,” “recyclables,” or “yard waste” is used in these specifications, it shall be construed as follows:

Solid Waste: All semi-solid and solid waste derived from and during the procurement, storage, processing, cooking, and consumption of food materials of animal, vegetable or synthetic origin which are intended for and are used by residents, for the refreshment or sustenance of human beings or animals. Solid waste shall not include dead animals, animal parts, household hazardous waste such as wet paint, pesticides, strong clean air agents, tires, auto batteries, and combustibles of all kinds. Solid waste shall not include ashes stored in ash pits, parts of trees, bushes, and soil, mortar, plaster, concrete, bricks, stone, gravel, sand and all waste or leftover materials resulting from grading, excavation, construction, alteration, repair or wrecking of buildings, structures, walls, roofs, roads, streets, walks or other facilities and such items of rubbish whose weight, size, dimension, and shape require more than one man for removal.

Recyclables means the following -

- Carrier stock (soda and beer can carrying cases)
- Junk mail and envelopes
- Paper back books (does not include hard cover books)
- Cardboard (no waxed cardboard)

Yard waste means yard waste that will fit in a lidded trash can or biodegradable paper bag. Yard waste includes grass clippings, leaves, vines, hedges and shrub trimmings, tree trimmings, and tree limbs. Residents may bundle limbs with twine or rope (bundle dimensions must not exceed 4-feet in length and 18-inches in diameter.) Yard waste does not include dirt or rocks.

Large Household Items means those items other than normal household trash including, but not limited to: appliances, furniture, and any other items which cannot be safely and conveniently loaded into a solid waste transportation vehicle. Specifically excluded are concrete and bricks, vehicle parts, tires, abandoned cars and car parts, whole trees, and construction materials.

5. **Special Pick-Ups** - shall be defined as large household items as defined above and any other items that cannot be disposed of at landfills, not including hazardous waste. Property owner must schedule the pick-up with the Contractor with at least 48 hours notice, prior to pick-up. Each pick-up of this type will be billed to the resident. Construction materials generated by contractors are not a part of this pick-up.
6. **Christmas Tree Disposal** - The Contractor will be required to pick up Christmas trees at the curb during the month of January on the resident's regular yard waste collection day.
7. **Holiday Schedule** - No collections shall be required on the six annual legal holidays. Each pick-up day of the holiday week after the holiday will be serviced one day late. The Contractor shall provide to the Municipality a list of the Contractor's recognized holidays.
8. **Collection Routes** - The Contractor shall further establish routes for the collection of solid waste, recyclables, and yard waste. The Contractor's collection schedule and collection routes shall be filed with the City.
9. **Municipality Owned Facilities** - The Contractor will be required to provide solid waste and recyclable collection services to all Municipality owned facilities at no additional cost to the Municipality. These collections will be considered incidental to the contract. This service will include the providing of one 2-cubic yard, or larger, container at each location outlined below.
  - a. City Hall (14 W Broadway)
  - b. City Pool (N Pin Oak)
  - c. Public Works Garage (1106 W 1<sup>st</sup> St)
  - d. Wastewater Treatment Plant (219 E 5<sup>th</sup> St)
  - e. Western Clinton County Senior Services (520 N Main)

Said trash containers will be emptied once per week, or as requested by the Municipality. Any new facilities constructed or purchased during the duration of the contract shall be provided the same service at a mutually agreeable price.

10. **Collection Times** - No collection shall be made before 6:00 a.m. or after 6:00 p.m., except by express authorization of the Mayor of the Municipality. No collections shall be made from any types of premises on Sundays. Saturdays will only be allowed for missed pick-ups and holiday weeks as described above.
11. **Residential Containers** - Solid waste refuse shall be stored in standard trash containers, which in any combination of containers may have a maximum capacity of ninety-five (95) gallons. Recyclables shall be stored in standard containers with a minimum capacity of sixty five (65) gallons and a **maximum** capacity of ninety-five (95) gallons, supplied by the hauler. Yard waste shall be stored in containers or biodegradable paper bags supplied by the resident.

12. **Cleanliness** - In the collection of solid waste, recyclables, and yard waste, the Contractor and its employees shall not place the same upon or suffer the same to be placed, or scattered upon any public place, or private street, alley, or drive, and agrees to replace any receptacle, can or lid damaged by it or its employees and upon collection leave the premises in a neat and clean condition. Contractor will not be allowed to transfer solid waste, recyclables, or yard waste from truck to truck in residential areas except where small pick-up trucks utilized in certain areas of the City and need to dispose their loads into a larger vehicle. In addition, the Contractor will not be allowed to store containers of any kind in common areas or in the City right-of-way. If an unsightly or unsanitary condition results from an action of the Contractor, the Contractor shall respond within four (4) hours of receipt to the satisfaction of the City.
13. **Contractor Report Daily** - The Contractor shall designate a supervisor for collection crews working within the Municipality to assure the duties of such crews are completed per the contract between the Municipality and the Contractor. In addition, the supervisor must be accessible via a cell phone between the hours of 6:00 a.m. and 4:00 p.m. on days when collections are made in the City in case of any problems or missed pick ups. The cell phone number shall be available to the City Clerk of the Municipality for direct contact but not for use by the general public.
14. **Customer Service Standards** - All complaints received by the Contractor or Municipality before 1:00 p.m. shall be resolved by 6:00 p.m. on the day the complaint was received. All complaints received after 1:00 p.m. shall be resolved by noon the next day. The Contractor shall maintain a daily log of all complaints received and time that complaint was resolved. The Contractor shall provide a monthly report to the Municipality, which will include copies of the daily reports for the prior month.
15. **Customer Service Center** - The Contractor will operate and maintain a Customer Service Center with the following minimum standards: 1) open between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday, during such time, all calls must be answered by a Customer Service Representative; 2) during all other times, calls to the Customer Service Center will be received by an answering service or machine; 3) the Contractor should implement procedures approved by the Municipality whereby complaints can be received via fax, e-mail and web site.
16. **Publicity** - The Solid Waste Collection Contractor shall provide information promoting recycling and reduction of solid waste and adequate publicity to all residential dwelling units within the Municipality as to the change over of collection service prior to the initiation of said service. This publicity shall include, but not be limited to, advertisement in a local newspaper of general circulation; at least one mailing to each residential dwelling unit within the corporate limits of the Municipality indicating the date of change-over, the day of collection for the types of collections, what items are collected and how they are to be stored, and the telephone number, fax number, e-mail address and web site of the Contractor's office where questions or complaints can be handled. Such publicity shall be approved by the City Clerk of the Municipality prior to distribution publication. The Contractor must distribute annually to the customers

information promoting recycling and source reduction. This publication must be approved by the Municipality.

17. **Insurance** - The Contractor shall provide a certificate of insurance which shall indemnify and hold harmless the Municipality from any liability, claim, damage, or cause of action which may be sustained by or asserted against the Municipality, directly or indirectly, or in any manner arising out of the performance or failure of performance on the part of the Contractor, and shall cover each vehicle used in the work covered by this agreement. The amount of such liability insurance shall not be less than \$1,000,000 single occurrence and \$2,000,000 aggregate limit coverage. In addition, the Contractor shall carry Worker's Compensation Insurance in such amount as is prescribed by the statutes of the State of Illinois. The insurance shall be maintained in force during the term of this contract. Said insurance shall be carried in a firm or corporation satisfactory to the Municipality and duly licensed or permitted to carry on such business in the State of Illinois. Such insurance policy or policies shall be filed with the Municipality together with the certificate of the insurer that the policy or policies are in full force and effect and that same will not be altered, amended, or terminated without sixty (60) days prior written notice having been given to the Municipality. All certificates of insurance shall specifically list the Municipality as an additional insured with respect to the policies related to the specifications and the Contract Agreement.
18. **Laws** - The Contractor will be required to obtain all licenses and permits and comply with all ordinances as provided in Municipality Code of Ordinances to the extent that they are not inconsistent with the provisions of the Contract and specifications. The Contractor shall at all times comply with all ordinances and regulations of Clinton County, and any rules and regulations issued by the State of Illinois.
19. **Volume Report** - Prior to the fifteenth of the following month, the Contractor shall complete the trash/recycling/yard waste monthly volume report. In addition, the Contractor shall make recommendations as to how they can increase the tonnage of recyclable material.
20. **Electronic Waste (Optional Service)** – Contractor, itself or through its subsidiaries, affiliates, or subsidiaries or subcontractors, shall submit an optional proposal to provide a door-to-door collection, transportation, recycling and/or refurbishing services for electronic waste for City residents only at the resident's request, all in accordance with the Illinois Electronics Products Recycling and Refuse Act. Contractor shall collect the electronic waste directly from, and generated by, residents of the City. The Contractor, with the City's assistance, is responsible for notifying its residents of such service. The Contractor shall submit a list of covered electronic devices under this section as part of its proposal. The proposed fee for providing this service shall be included on Exhibit A and shall be directly billed to the resident by the Contractor.

The electronics waste Contractor shall:

- Be registered with the Illinois Environmental Protection Agency in accordance with the Act.

- Be R-2 certified.
- Provide instructions regarding separation, sorting, and packing of electronic waste.
- Remove, transport, and process all electronic waste pursuant to the Act.

21. **Disaster/Emergency Debris Collection, Hauling and Disposal Services** – The City is seeking proposals to establish a pre-need, pre-event contract with the Contractor to provide collection, hauling, and disposal services to the City during disaster or emergency events. Disaster includes natural events such as tornadoes, windstorms, floods, earthquakes, and fires as well as man-made events or emergencies such as civil unrest and terrorist attacks. In the event of a disaster or emergency, the Contractor must service the City first and be on-call to provide support services necessary. The City retains the right to obtain similar services from additional contractors. Contractors must comply with all regulations, guidelines, and operating policies of the Federal Emergency Management Agency (“FEMA”).

a. **Scope of Work**

a. The contractor will be expected to provide disaster collection, hauling, and disposal services on all public rights-of-way and private property (if FEMA Right-of-Entry Program is established. a. The Contractor shall use unit pricing. The unit pricing shall include all equipment charges, labor cost, transportation cost, and landfill tipping fees, The proposed unit pricing for disaster/emergency services shall be included on Exhibit A.

c. **Technical Specifications**

a. Contractor shall work under the director of the Mayor and Director of Public Works or their duly authorized designee. The Mayor or their designee will issue a Notice to Proceed to start work and the Notice to reduce and to end work. All payments under the contract shall be made only for services approved by the Mayor or their designee. All Contractor trucks used for collection and hauling eligible debris to a DMS location or final disposal sites shall be measured (inside bed measurements) and certified for cubic yard

volume by the City or its authorized representative. The Contractor shall provide a representative to approve the certification/measuring process. It is the Contractor's responsibility to verify the accuracy of the truck certifications within forty-eight (48) hours of truck certification and to notify the City of any discrepancies. Placards will be attached to each certified truck and shall clearly state the truck information, as determined by the City. Load tickets, unit rate tickets, truck certification forms, truck placards, and other forms necessary for documenting eligible work will be provided by the Contractor.

22. **No Strike Guarantee** – The Contractor shall continue to provide all services in a timely manner in the event of any labor stoppage or slow down. The Contractor shall be obligated to take all reasonable and necessary steps to secure, at its sole expense, replacement employees and/or contractors to perform its obligations under the contract.

## **SERVICES TO BE PROVIDED**

### **(E)**

The Contractor shall have the responsibility to collect, haul and dispose of all household trash, recyclables and yard waste between 6:00 a.m. and 6:00 p.m. These items will be collected in properly identified trucks. (“Properly identified trucks” means the name, address, and phone number of the Contractor and designation of type of material being collected must be displayed on the truck.) All these services, vehicles, equipment, and collected materials, as described below, are to comply with local City, County and State regulations.

- a) Trash to be picked up once a week in Contractor supplied containers, not to exceed ninety-five (95) gallons, from the curb line from residential dwelling units (as defined in section D) and City owned properties. The total weight of each trash container not to exceed sixty (60) pounds when loaded.
- b) Recyclables are to be picked up once a week in Contractor supplied containers, not to exceed ninety-five (95) gallons, from the curb line.
